Bolhouse Law Welcomes Attorney Michael Distel

Barbara L. Stoffer

January 2012

We are pleased to announce that attorney Michael Distel joined our firm in November.

Born and raised in the Detroit area, Mike earned his Bachelor Degree from MSU and went on to earn his JD from the University of Detroit. A litigation attorney specializing in business litigation, creditors rights, personal injury and employment related issues, Mike brings with him a significant amount of courtroom experience, in both state and federal courts throughout State of Michigan, including jury trials and appellate advocacy. Mike's experience in the insurance industry brings a new area of expertise to our law firm, which will greatly benefit our business clients. As Managing Partner Joel Baar states, "When the opportunity to add a top-notch attorney who is well-respected in the West Michigan legal community presented itself, we seized it. We are very pleased to have Mike on our legal team."

When Mike is not in the office, he enjoys spending time with his wife and 3 children, and playing ice hockey. Yes, the seniors' league!

You can reach Mike at miked@bolouselaw.com or at our office at 616-531-7711.
